Mrs. John MacGahan
Haines Falls, New York 12436

Dear Mrs. MacGahan:

I am happy to be able to send my contribution to the continued flourishing of the Haines Falls Free Library. My great regret this year is that I have been able to visit the Library so infrequently; perhaps my heavy patronage of the past years will carry over a bit and excuse me from the guilt of this lean one.

Some friends and I had a chance to visit a bookshop a week ago where we were happy to hear the proprietor sing the praises of Mrs. Hommel. He was unstinting in his own adulation of her work and didn't hesitate to call her the best librarian in Greene County. I am sure that is true, just as I am sure we are all grateful to have her.

Yours sincerely,

Joseph H. McMahon

Dear Mrs. Hommel,

The description of your services to the library and, through the library, to the whole community is too much understated in this year's report. Once again, in making my contribution, I would like to express my deep appreciation for the cheerful place the library is because of your presence there. We're lucky to have the library and even luckier to have the librarian.

Most sincerely,
